

Hayfield

Parish Council

NEWSLETTER Summer 2012

Council Offices, Dungeon Brow, Market Street, Hayfield, High Peak, Derbyshire, SK22 2EP
Tel. 01663 744550. Email: clerk@hayfield-pc.gov.uk
www.hayfield-pc.gov.uk

Grounds Maintenance Assistant

The Parish Council have contracted Graham Hewitt to help out with the grounds maintenance. Council would like to thank Graham (and Caroline) for all their hard work especially during May getting the grounds presentable for the May Queen and Jubilee celebrations.

Maintenance Assistant.

The Parish Council would like to contract someone able to work 10+ hours a week to help with maintenance jobs around the parish. This would include general repairs, maintaining playground equipment and seats, filling grit bins during winter etc. The person must be registered as self-employed and hold public liability insurance cover. Please contact the Acting Clerk, if you are interested in this work, for further details.

Parish Councillors

The Parish Council welcomes Councillor Mike Dean who was recently co-opted as Councillor for Hayfield West Ward and sadly says goodbye to Betty Betts. Thank you Betty for all your hard work on the Council and for the parish as a whole! There is still one vacancy for a Councillor to represent Hayfield Town Ward.

See the noticeboards or the Acting Clerk for further information if you would like to stand for Council.

Playgrounds

Work should be underway by the end of June to repair the play equipment in Valley Road Recreation Ground. Council thank you for your patience and see this as only a start to improving the play areas thoroughly. All areas are inspected regularly.

Council plan to reinstall the football posts on Valley Road as soon as possible.

Unfortunately, unauthorised digging is again taking place at the far end of the skatepark to create BMX ramps and Council wish to make clear that this must stop immediately. There are still plans to build a Pump Park but progress has been delayed as the construction firms are busy during the Summer actually building Pump Parks elsewhere – the planning of such facilities is done during the Winter months.

Bank Vale

The Parish Council are working closely with St Matthew's Parish Church to promote the sale of Bank Vale Football field - both parties are keen for this to go ahead.. Progress has been very slow due to satisfying the demands of Ecclesiastical, Canonical and Diocesan laws in regard to the proposed sale.

The Queen's Diamond Jubilee Celebrations

The Diamond Jubilee celebrations were a great success and the Parish Council were glad to be involved, working alongside many other organisations within the village. Look out for the Jubilee Committee's newsletter giving more details of the event. The Parish Council are also hoping to plant roses in commemoration of the jubilee by replanting the Sett Valley Bus Station roundabout later this year.

Church Street Environmental Improvements

Derbyshire County Council should soon begin work to alter the Fishers Bridge junction (by building out the kerbline to discourage parking which currently causes visibility problems) and declutter the signing and lining through Church Street and Market Street to improve traffic flow.

New Recycling and Waste Collection Service

Many of you have been asking whether your new brown bins can be removed since you have nowhere to keep them or you have no need for them. There are alternative smaller containers available. Please contact High Peak Borough Council about this on 0845 129 4870 or 01298 28423.

Opening Hours

The Parish Council Office is open on: Tuesdays and Thursdays, 10.00am – 12.00midday. The Office is generally open during working hours and the public are welcome to visit at any time. However, if you wish to guarantee someone being there, please visit within the hours advertised.

Who is on the Council?

Chair: Mr Andrew Ramwell

Tel: 01663 744471

andrew.ramwell@hayfield-pc.gov.uk

Mr Peter Easter
